Day #2 – September 5, 2019

After breakfast, we start our Nashville visit at the Country Music Hall of Fame and Museum. This is the world's largest museum dedicated to the preservation of American Country Music, and also features historic Studio B, home to 1000 American music hits including 200 Elvis Presley songs. Lunch is on your own in the 2nd Street Historic District, which includes dining options like the Silver Dollar Saloon, BB Kings, Joe's Crab Shack, and more. This afternoon, spend time at the new Johnny Cash Museum, known for its excellent exhibits and memorabilia on the life and music of this legend. We will return to the hotel to relax before departing for dinner and a show at the Nashville Nightlife Dinner Theatre, including an all – you – can – eat – buffet dinner and music show, ranging from old favorites to the tunes of country superstars today. Day #3 – September 6, 2019

Enjoy breakfast at the hotel before we depart for another day of Nashville touring. Our first visit is at The Hermitage, home of our seventh president, Andrew Jackson. Learn the history of the home, built in the early 1820's, hear of it's devastating fire and reconstruction, as well as the life and times of President Jackson and his family. Lunch will be aboard the General Jackson Showboat as it plies the waters of the Cumberland River. You will be treated to the country music variety show on board,

too. Upon disembarking, we will visit Opry Mills, Tennessee's largest outlet and retail shopping destination. Dinner is included nearby, and then tonight, we attend the Grand Ole Opry show!
