

FRANK LLOYD WRIGHT'S TALIESIN

SPRING GREEN, WISCONSIN

PARTNERING WITH PLUS 60 CLUB

FRIDAY, JULY 10, 2020

Departing from Davenport, IA and Moline, IL

Among the most famous residences in the United States, Taliesin embodies Wright's energy, technique, and creative vision. The house stands as the longest on-going project of Wright's career. The House Tour guides you through rooms that Wright imagined and built, exploring the rich canvas he worked on every day of his life. On this two-hour walking tour, you'll experience the landscaped grounds, furnishings, collected objects and, of course, the building itself. A sandwich buffet will be served at the Frank Lloyd Wright Visitor Center following the house tour. **ACCESSIBILITY:** Please note this tour requires a significant amount of standing, stair climbing and walking on uneven terrain. There are several series of steps and some with no handrails. Some exterior walkways consist of loose gravel or grassy pathways. There is no opportunity to leave the group should you wish to stay behind.

On our return, we will visit The Dickeyville Grotto. Erected in the Village of Dickeyville, Wisconsin on Holy Ghost Parish grounds are the works of Father Matthias Wernerus, a Catholic Priest. His handiwork in stone built from 1925-1930, is dedicated to the unity of two great American ideals-love of God and love of Country. These religious and patriotic shrines were constructed without the use of blueprints.

\$149 per person includes house tour, lunch and transportation.
