Day # 3 - August 25, 2020

A hot breakfast is included at Thunder Bay Resort and then we depart for Presque Isle Lighthouse. Upon our arrival we will be met by a local docent from Presque Isle lighthouses. Presque Isle Light Station is a complex of three historic buildings including a lighthouse tower and two keeper's residences. Located on the Lake Huron shoreline near Presque Isle Harbor, the "New Presque Isle Light" is the tallest lighthouse tower accessible by the public on the Great Lakes. Built in 1870, it replaced the 1840 harbor light. Visitors, for a nominal fee, may climb the 130 steps to the top of the tower for a spectacular view. Lunch is included at the Lighthouse Restaurant in Roger City, MI. This afternoon visits the Great Lake Lore Museum. The Great Lakes Lore Maritime Museum is a maritime museum that specializes in memories not just artifacts. From small "day" sailors manned by pre-colonial French and British traders to modern-day super carriers bearing the flags of most maritime powers, Great Lakes commercial craft, their captains and crew members are depicted

and commemorated. Also visit a Calcite mine before continuing to 40 Mile Point Light house. Located just north of Rogers City, the lighthouse was built in 1896 to assist ships through the dangerous shoreline where open water, hidden shoals and false bays had claimed many vessels. Follow "Shipwreck Trail" to see what's left of the Joseph S. Fay, one of 27 wooden ships that sank during a fierce storm in 1905. You can see about 150' of her side walls resting on the beach. The tour concludes with a fascinating ride across the Mighty Mac. At one time this was the longest suspension bridge in the world. Hear the dramatic tales of the brave iron workers who built this massive structure. Your guide will provide more than hearsay – in many cases these are eyewitness accounts of local history. Time to board the ferry to Mackinac Island. As you step upon the island you will feel like you have stepped back in time. Horse drawn vehicles transport everything from supplies for the business on the island to passengers. Accommodations are on Main Street at the Bicycle Street Inn.
