Take a journey to the past that is loaded with plenty of modern-day fun. Get a true look at the Amish lifestyle and learn about their history. Tour country roads more traveled by buggies than cars. Stop at shops filled with goods your grandma probably used. Savor hearty Amish style fare. Meet Amish business owners who make the products and craft the wares for their culture. Delight in scenic backroads, peaceful people and local products that make Amish Country so memorable. Laugh, sing, and be entertained in local theatres on family friendly entertainment and Broadway musicals. You will be busy all the time and loving every minute!

covered farm wagon with padded seats is pulled by an International Harvester H tractor and gives guests an overview of the historic farm as it travels down the gravel lanes, around the pond, past the historic buildings, and through the woods including a stop at the one-room Amish School for an old-fashioned spelling bee. Step inside the historic farmhouse and learn about the heritage, culture, and history of the “Plain People”. Spend time shopping and browsing the wine shop, Sugar Cream Cabin and Marketplace. You will enjoy a matinee production of a toe-tapping original musical “Land That I Love” in the majestic restored 1911 Round Barn Theatre. A fun-filled adventure, telling the story of Indiana. Laugh at the origins of the name Hoosier, enjoy the folklore tales of Johnny Appleseed and Young Abe Lincoln, and celebrate the funny names of the small-town festivals and traditions we hold dear. Fun, laughs, and nostalgia abound as we take you on a “Hoosier” journey about the amazing way our diverse “Hoosier Quilt” allows the spirit of Indiana to shine as the beautiful 19th star waving proudly on Old Glory. Our evening is free on the Essenhous campus with car cruise in, shopping, swimming in the pool and dinner on your own. (B,L)

Day #4

Friday, July 30, 2021

Breakfast is at the hotel prior to checking out. We have arranged a visit to B&L Woodcraft Amish furniture shop to customize your own souvenir birdhouse. Each of our tour passengers will receive a box with your name on it and proceeds through lines to select colors, decorations and make customized sayings. The host Amish family assembles each birdhouse and places it back in the box, ready to load onto the coach. After selecting your birdhouse, you also have time to explore the wide selection of furniture, home accents, gift items and antiques on the farm. We have one more stop before making our west and our original departure point, Linton’s Enchanted Gardens. Here we will board the train to take a narrated tour of this magnificent nine-acre facility all while surrounded by the sights and sounds of fountains, wind chimes and whimsical garden art. We depart for home arriving early evening. (B)
